Application for the Scott Kuenning Music Scholarship

Lock One Community Arts (LOCA), is a non-profit organization. We were formed in 2001 by three couples with the intent of bringing live professional stage performances to the West Central Ohio region.

This scholarship was established in 2021 by Lock One Community Arts Board to thank Scott Kuenning for his many years of immersing this area of Ohio with his love of music. Scott was one of the founders of Lock One Community Arts, Director of the AC Swing band, founder/director of the New Bremen Alumni Band, and co-founder/co-director of the Auglaize County Alumni Band. The scholarship is funded by an appreciative community for Scott's life through the New Bremen Foundation.

Each year, LOCA provides one \$1000 Scott Kuenning Music Scholarship to a New Bremen High School graduating senior who plans to continue with music education or performance after high school.

Please return this application (along with a photo) to your Guidance Counselor, mail to the PO Box above, or e-mail to lockonearts@gmail.com by Friday, March 22. Interviews will be conducted at New Bremen High School on Wednesday, March 27. We will contact those selected for an interview.
